## Mr. Ghannam Aljabari

### Personal

Date of Birth: 25-04-1978  
Marital Status: Married

Place of Birth: Hebron  
Nationality: Palestinian

### Work Experience

9-2014 to date Palestine Polytechnic University Hebron, Palestine  
**Director of Computer Center**

2-2104 to 1-2016 Palestine Polytechnic University Hebron, Palestine  
**Lecturer**  
College of Applied Professions  
Computer and Information Technology Department

2-2006 to 2-2014 Palestine Polytechnic University Hebron, Palestine  
**Network Administrator**

- Provide support for network hardware and software.
- Installation, configuration and management of network operating systems.
- Configuration and troubleshooting of network devices.
- Planning and configuration of network services.
- Design and implementation for LAN, WLAN and WAN.

11-2001 to 1-2006 Hebron University Hebron, Palestine  
**Programmer**

- Provide support for computer hardware and software.
- Provide support for the university MIS operation and testing.
- Analysis, implementation and training of database management system.
- Reports writing and technical documentation.

### Education

2008 to 2012 Palestine Polytechnic University Hebron, Palestine

- M.Sc., Informatics, graded with very good.

1996 to 2001 Palestine Polytechnic University Hebron, Palestine

- B.Sc., Computer Systems Engineering, graded with very good.

### Certifications

IPv6, RIPE NCC Academy, 2015  
IT Security, Dortmund, Germany, 2011  
Redhat Certified Engineer (RHCE), Bangalore, India, 2010  
Oracle Certified Professional (OCP), Ramallah, Palestine, 2006  
Cisco Certified Network Associate (CCNA), Hebron, Palestine, 2004

## Skills

- Data Center and network infrastructure design and administration.
- Network services installation and management (email, web, etc) under Linux and Windows environments.
- Red Hat Linux knowledge and experience.
- Microsoft Windows Server implementation and administration.
- Cisco routers, switches, and firewall programming.
- Juniper firewall and HP switches programming.
- Enterprise Network and Cabling design.
- Internet Domain name, IP address and AS number maintaining.

## Training Experience

Google Apps and Prezi, Center for Excellence in Teaching and Learning , PPU, 2015  
LaTeX Markup Language, Deanship of Graduate Studies, PPU, 2013  
Cisco Certified Network Associate, Cisco Academy, PPU, 2013  
Security Lab, The Palestinian e-Government Academy, Birzeit University, 2012  
Redhat System Administration, Computer Center, PPU, 2011
