## Mr. Ghannam Aljabari

Personal	Date of Birth: 25-04	-1978	Place of Birth: Hebr	ron
	Marital Status: Married		Nationality: Palestinian	
Work Experience	2-2014 to date	Palestine Polytechni	c University	Hebron, Palestine
	Instructor			
	College of Applied I			
	Computer and Inform	nation Technology De	partment	
	9-2104 to 9-2019	Palestine Polytechni	c University	Hebron, Palestine
	Director of Comp	uter Center		
	My responsibilities i	nclude:		
	<ul> <li>Management function in the university</li> </ul>	ctions related to inform.	nation technology and	l computer resources
	<ul> <li>Technical contact</li> </ul>	person for the local co	ommunity in the univ	ersity
	2-2006 to 2-2014	Palestine Polytechni	c University	Hebron, Palestine
	Network Adminis	trator		
	My responsibilities i			
		or network hardware a		
		guration and managem		ating systems.
		l troubleshooting of ne		
		figuration of network s		
	<ul> <li>Design and imple</li> </ul>	mentation for LAN, W	LAN and WAN.	
	11-2001 to 1-2006	Hebron University		Hebron, Palestine
	Programmer			
	My responsibilities i			
		or computer hardware		
		or the university MIS of		
	•	entation and training o		ent system.
	<ul> <li>Reports writing an</li> </ul>	nd technical document	ation.	
Education	2008 to 2012	Palestine Polytechni	c University	Hebron, Palestine
		s, graded with very go		
	1996 to 2001	Palestine Polytechn		Hebron, Palestine
	<ul> <li>B.Sc., Computer</li> </ul>	Systems Engineering	, graded with very go	od.

Certifications	Professional Diploma in Public Administration, Bethlehem University, 2017 IPv6, RIPE NCC Academy, 2015
	IT Security, Dortmund, Germany, 2011
	Redhat Certified Engineer (RHCE), Bangalore, India, 2010
	Oracle Certified Professional (OCP), Ramallah, Palestine, 2006
	Cisco Certified Network Associate (CCNA), Hebron, Palestine, 2004
Skills	<ul> <li>Data Center and network infrastructure design and administration.</li> </ul>
OKIIIS	<ul> <li>Network services installation and management (email, web, etc) under</li> </ul>
	Linux and Windows environments.
	<ul> <li>Red Hat Linux knowledge and experience.</li> </ul>
	<ul> <li>Microsoft Windows Server implementation and administration.</li> </ul>
	<ul> <li>Cisco routers, switches, and firewall programming.</li> </ul>
	<ul> <li>Juniper firewall and HP switches programming.</li> </ul>
	<ul> <li>Enterprise Network and Cabling design.</li> </ul>
	<ul> <li>Internet Domain name, IP address and AS number maintaining.</li> </ul>
Computer Skills	Microsoft Office, Google Apps, Windows Server, Linux, VMwere, Decker, C
	Microsoft Office, Google Apps, Windows Server, Linux, VMware, Docker, C, and Python
Tusining Functions	
Training Experience	Google Classroom and Google Scholar, PPU, 2016
	Google Apps and Prezi, Center for Excellence in Teaching and Learning, PPU, 2015
	LaTeX Markup Language, Deanship of Graduate Studies, PPU, 2013
	Cisco Certified Network Associate, Cisco Academy, PPU, 2013
	Security Lab, The Palestinian e-Government Academy, Birzeit University, 2012
	Redhat System Administration, Computer Center, PPU, 2011
Area of Interest	Computer Networking, Information Security, Internet of Things (IoT),
	and Cloud Computing
